

RID® Lice & Egg Comb-Out Spray

Product Information

Use

RID® Lice & Egg Comb-Out Spray detangles hair in order to make lice and egg comb-out easier.

Warnings

For external use only. Keep out of reach of children. Avoid contact with eyes. Do not use if you have ever had an allergic reaction to this product or any of its ingredients.

Directions For Use

- Before using, read Consumer Information Insert for complete directions.
- Use AFTER shampooing with RID® Lice Killing Shampoo.
- Towel dry hair. Apply a small amount of RID® Lice & Egg Comb-Out Spray and use a wide-toothed comb to remove any tangles.
- Comb out the dead lice, eggs, and nits, one small section at a time, with the enclosed RIDvantage® Jr. Lice Comb. (See insert for additional combing instructions). **This step is very important.**
- Use additional RID® Lice & Egg Comb-Out Spray to remove tangles, if needed, during the comb-out process.
- After you have combed entire head, rinse hair thoroughly with warm water. Disinfect combs with hot water (130°F).

Other Information

- It is important to wash in hot water (130°F) all clothing, bedding, towels, and hair products (combs, brushes) used by infested persons in the two days prior to treatment.
- Dry clean non-washable fabrics.
- To eliminate infestation of furniture and bedding that cannot be washed or dry cleaned, a multi-use lice spray such as RID® Home Lice, Bedbug & Dust Mite Spray may be used.
- RID® Lice & Egg Comb-Out Spray does not kill lice or their eggs. Use this product only after treating with RID® Lice Killing Shampoo.
- Store in a cool, dry place. Keep from freezing.
