

SUPER MAX

KILLS + DEFENDS

2PC LICE ELIMINATION KIT

HIGHLY EFFECTIVE &

PESTICIDE-FREE: Kills lice, super lice, and their eggs via coating and suffocation. RID SUPER MAX does not contain pesticides, to which super lice have developed resistance. The solution is more effective at killing lice and eggs than the leading pesticide ingredient.

ENHANCED WITH THE RID LICE DEFENSE FACTOR (LDF):

a uniquely effective combination of ingredients that lightly coat & scent hair, to help keep new lice away for up to 3 days. Lice can survive 1-2 days outside the human host and LDF helps keep those lice away from treated hair.

Intended Use: to kill and remove super lice, lice, and their eggs in infested adults & children from 1 year of age and older.

Kit includes: RID SUPER MAX solution and RID comb

INSTRUCTIONS

Important: Read warnings before use.

Step 1: APPLY the solution to dry hair, completely saturating hair and scalp. Use a towel to cover eyes and exposed skin areas. Massage from the roots to the tips, paying particular attention to the area behind the ears and the hairline behind the back of the head. Leave the solution in the hair for **15 minutes**. In the case of long hair, pin the hair up away from skin.

Step 2: COMB to remove lice and eggs. Part hair into sections and comb one section at a time. Place teeth of the comb as close as possible to the scalp and comb away from scalp to the end of the hair. Use clips to pin back each section of combed hair. Clean the comb during use by wiping onto a tissue. Discard the tissue into a sealable plastic bag. Discard the sealed plastic bag.

Step 3: WASH by applying a regular shampoo (or RID Daily Defense Shampoo & Conditioner) to the hair and rinsing thoroughly. Repeat if needed to fully rinse out the solution. Check hair after 7 to 10 days. If lice or eggs are present, repeat steps 1-3.

Usage guidelines for RID Super MAX Solution

Hair Length	Applications Per Bottle
Short	Up to 4
Medium	2-3
Long	1-2

INGREDIENTS

hydrogenated didecane, hydrogenated polydecene, fragrance, sunflower oil, acrylate copolymer

WARNINGS

- For external use only. Do not swallow. If swallowed, seek medical help or contact Poison Control Center immediately.
- Keep out of reach of children. Consult a healthcare professional before use if you are pregnant or breastfeeding.
- Do not use longer than directed or overnight while sleeping.
- Do not use if scalp is irritated or injured.
- Do not use a covering over treated hair like a shower cap or foil.
- Stop use if signs of a rash or irritation occur.
- Avoid contact with eyes and mucous membranes (mouth and nose). In case of eye contact, rinse thoroughly with water.
- Do not use if you have ever had an allergic reaction to any of this product's ingredients.
- Keep treated hair away from fire or other hot objects. Do not smoke during use or treatment.
- If the treatment is applied in the evening, make sure the hair is completely dry when going to bed.

RID SUPER MAX ADVANTAGES

	Rid SUPER MAX Kit
Kills super lice	✓
Kills lice & eggs	✓
Contains lice & nit removal comb	✓
Pesticide-free	✓
Enhanced with RID Lice Defense Factor (LDF)	✓
Provides an immediate defense shield to help keep new lice away	✓
Silicone-free to prevent greasy residue	✓
Washes out more easily than silicone-based (dimethicone) formulas	✓

Store at room temperature.
